Englewood's Transportation the Best

One of the strongest points in Englewood's favor, is the splendid transportation facilities, and we think that it is not exploited enough in our campaigns for improvements and increasing our population. Beginning at State st. we have direct north and and south surface lines on Wentworth, Halsted, Racine, Ashland, Robey, Western and Kedzie, with excellent cross town lines from 59th st. south on 63rd, 69th, 74th, 79th, 81st and 87th sts., in addition to the elevated road west to Loomis and south to 69th st. Then comes our dozen and more of steam roads, with good suburban service on the Rock Island and Western Indiana, and fairly good on the Pennsylvania, New York Central, Wabash and the other lines. No other part of the city may claim as good transportation facilities and covering so wide a field. We seldom advertise these and few outside, and not all inside of our territory know of them. In the new subway plans we are on three trunk lines, and we have the proposed and partially operating bus lines. Our business men's associations should advertise them on their stationery and the local papers donate space to spread our advantages, as with our excellent schools and churches we are the best home district in Chicago.

We Publicly Criticize, But Seldom Commend

The so-called "People's Columns" of the papers are filled daily with criticisms of public officials and employes of the different utilities and public departments, but it is only once in a blue moon that we read anything in their favor. yet we know that many of the classes criticized have many faithful courteous employes. Everyone feels it a right, if not a duty to "roast" the police, yet there are many fine brave and courteous men on the force. The letter carriers, those faithful fellows who visit your home every day, rain or shine, certainly deserve commendation; the same applies to street car and elevated employes, many of whom go far beyond their duties in directing and assisting the passengers. Who thinks to thank a courteous clerk or salesperson, no matter how much trouble they may go to, to assist you in a purchase? A little courtesy goes a long way to smooth out the wrinkles of personal friction in our every day intercourse, and we should all try to exercise some of it, not only to give pleasure to others, but incidentally to ourselves.

Mrs. M. Maroney, Peoria, Ill., is a guest of her sister, Mrs. Harry Swift, 6800 Union ave.

Children love it, because it tastes like soda water.

WHAT IT WILL DO

Is best told in the following letters taken from one day's mail:

Thanking you for having so promptly filled my order, I am. Mrs. F. R. D.

"I arrived home again and would like to have you send me a supply of Nu-Tone, because I can sell it. I would like to be your agent and your plan for selling is all right. I had to go away and I didn't get your letter until today. I will be here from now on and I have a good many friends that would like to buy it and you can send it to me, because I have already had five calls for it. Be sure and send it at once. Mrs. C. C.

Springfield, Mass.
"I received your free sample of Nu-Tone, and have given it a trial. It sure has done me good. I haven't been troubled with my stomach or headaches since I have taken it." J. W.

Prairieburg, Iowa.
"The small sample of your salts have done so much good, that I am enclosing $2.00 (two dollars) for two bottles as per your offer, also would like the agency for Linn County, Iowa. J. I. H.

Mt. Clarendon, Vt.
"I have just received your letter and I want to thank you for the offer you have made me. Your medicine has done me lots of good, but I have neglected to send for more. I am sending you $4.00 for four bottles, and I surely will do all I can for you in regards to recommending and selling your Nu-Tone Salt." C. B.

To Save Is to Have

Suppose you save 25 cents a day. That does not mean much to the average man. You won't miss it.

Yet that 25 cents a day in ten years grows to nearly a thousand dollars. And the interest, which we pay you for saving your money, brings the total to well over eleven hundred dollars.

Think of what you can do with this.

Realize Your Dreams

Just a few years of small but steady savings will bring you many of the things you are longing for. Perhaps you want a car. Perhaps you want to buy the farm next to you. Perhaps you want to start a son in business, or to go traveling, or to educate yourself or your children.

Saving will do all these. And best of all, you will have formed the saving habit and will never be one of the nine men out of every ten who pass their last years penniless—in the poorhouse or dependent on others.

Marquette Recreation Parlors

Carl C. Marzano has reached the climax in the matter of providing sane recreation and amusement to the people of this part of the city, in the erection of his grand palace of pleasure at 3315-33 W. 63rd st., west of Kedzie ave. The Marquette has a well appointed billiard parlor containing twenty-two Brunswick-Balke balk line and pocket billiard tables, also twenty-six standard Brunswick-Balke bowling alleys. These in addition to one of the largest and finest cafes in the city, with 6,000 feet of floor space solves the problem of "Where shall we go to dance?," with music from Dewey Harris' Palace of Pleasure orchestra and the very best entertainers in many lines. The best place to dine on the south side with all the pleasureable and enjoyable surroundings. There will be dancing every evening from 8 p. m. to 1 a. m. and Sunday noon to 2 p. m. to 5 p. m., 5 p. m., to 7 p. m. and 8 p. m. to 1 a. m.

Any description of the elegance of this handsome place would be incomplete and unsatisfactory, it requires a visit and the cordial welcome of Mr. Marzano and his staff of courteous assistants to appreciate the many advantages and attractions.

A grand opening will be celebrated Wednesday and Thursday, Oct. 10th and 11th, and they will be red letter occasions that you will not care to miss. Reservations may now be made for tables for the opening nights, or for any other time as deliciously prepared chicken dinners will be served every Sunday noon and a specialty will be made of Italian dishes, spaghetti, ravioli, etc., prepared by a special chef who is an artist in his line. Also a musical revue from 12 to 2 p. m. and 5 to 7 p. m. Dinner party reservations will be given special attention. Whatever you do next week, don't miss the grand opening of Marzano's Marquette Recreation parlors.

The Misses Irene and Geraldine Tolman, Throop st., entertained fourteen young friends at their home last Saturday evening with a bunco and card party.

The street department should attend to the repair of streets before the winter comes and makes it impossible. Some of the best paved streets have been torn up and not replaced, making dangerous ruts that could be repaired easily if done at once.

The excavators are making fast work of grading Marquette park. They are removing all of the black earth and sod, east of the Field House on the north side of the park and building an elevation just west of the lagoons. We understand that several thousand trees are to be transplanted this fall and winter.

Mrs. Gerrity Basenach died suddenly at Mobile, Ala., Friday, and her funeral occurred from 6613 Carpenter st. Wednesday. Interment was at Mount Greenwood cemetery.

Mrs. Dora Granger and daughter, Miss Helen, who rented their home and moved over east a year ago, have returned and are occupying an apartment in their building at 7005 Throop st.

Analyze Your Method of Living

Are you getting anything out of life? Does your life mean all work and no play? Are you going to be an "old" young man or a "young" old man? Think it over. As an American citizen you owe it to yourself to be physically capable of combating a life that is becoming daily more strenuous. We are in a stage of the survival of the fittest. Are you fit enough to stand shoulder to shoulder with the man who believes in exercise, in music, in entertainment, in good pleasant environment and the association with his fellow men.

We invite you and hope you will accept the invitation to our recreation parlors. We will make you feel at home. Bring the ladies, too, and make this great institution the better for knowing you.

We have the best appointed bowling and billiard parlors in Chicago; twenty-six standard Brunswick-Balke bowling alleys and twenty-two balk line and pocket billiard tables. Arrangements have already been made to stage some of the largest tournaments and exhibitions of the season.

In order to take care of our host of patrons, we have enlarged our refreshment parlor and have installed a new home-like restaurant and grill which we are sure will appeal to the many who like good wholesome cooking at popular prices.

APPERSON

Keep Your Hand on the Wheel and Shift Gears

THE old hand-shift lever is gone for all time. In its place is a simple and strong mechanism which shifts gears mechanically. The hand-shift lever is replaced by the selector located on the steering wheel post which is operated by the thumb or forefinger without taking the hand from the wheel or the eyes from the road.

The mechanical gear-shift removes the tenseness and strain of driving. It is the greatest advancement in the industry for easy, safe and more enjoyable driving, whether in the most congested traffic or on the open road.

Move the selector to the gear desired and throw out the clutch in the usual manner—that's all there is to shifting gears on the APPERSON.

You must see this car and operate the gear-shift yourself to appreciate the tremendous importance of this engineering achievement. The ease and pleasure of driving an APPERSON will amaze you.

Thirty years of engineering have produced a car in this new APPERSON Six that is years in advance of any other car on the market today. When you drive it you will see the truth of this statement. Make an appointment now.

SULLIVAN'S SENSE AND NONSENSE

MUSIC

When the music of the Summertime has fled
And the skylark and the oriole has sped,
When the skies are dark and dismal
And the silence seems abysmal
In the shadows where the Autumn leaves lie dead,

Comes a motor truck, a sordid, snorting brute,
But its music is as soothing as a lute
When it pauses at the basement
With its stern against the casement,
And a load of coal goes shooting down the chute.

And the next national holiday will be Halloween.

Vice is always punished—on the stage.

Son—"Daddy, what is a bigamist?" Father—"A bigamist, sonny, is a man who makes the same mistake twice."

"Liza, what fo' you buy dat odder box of shoe blackin'?" Go on, nigga, dat ain't shoe blackin'; dat's ma massage cream."

Chicago woman has been jailed for refusing to talk. Any woman who does that is entitled to the freedom of the city.

"Is Walter very religious?" "Religious; why, he actually believes the Epistles were the wives of the Apostles."

Stranger—"Rastus, do the people who live across the road from you keep chickens?" Rastus — "Dey keeps some of 'em, sah."—Tips and Topics.

Up at our boarding house there are two children, a boy and a girl. The boy is the living photograph of his father, and the girl is the very phonograph of her mother.

When a woman weighs more than 150 pounds don't worry her with plan for improving her mind. What she wants is help in improving her figure.

Once a year the newsboys of London are given an outing some place on the Thames River, where they can swim to their hearts' content. As one little boy was getting into the water, his little friend said: "Johnnie, you're pretty dirty!" "Yes," replied Johnny, "I missed the train last year."

There was a very pretty nurse passing in and out. The patient eyed her with admiration. By way of pleasantry the doctor said: "Be a good boy and I'll prescribe a kiss for you at 4 o'clock." But at 4 o'clock an extremely homely nurse came on duty, as the physician knew she would. However, the next day he ventured to ask the patient how things had gone. "I took my medicine," briefly replied the young man.

Englewood Woman's Club

The Englewood Woman's club opened the twenty-eighth year of its activities Oct. 1st with a reception at 1:30 o'clock to its club members and their guests. After gracious words of welcome by the newly elected president, Mrs. A. R. E. Wyant, the vast audience listened with rapt attention to a song recital by Leah Pratt, contralto, and Arthur Boardman, tenor. Miss Pratt's voice has a wonderful range and this was very apparent in the duet. "The Day Is Done". (Lohr) and in this selection as well as the "Love Duet" from "Shanewis" was proven the perfect blend of the two voices. The program was altogether delightful and it is perhaps worthy of note that the numbers were all sung in the English language.

A Fall Festival

The Englewood Business Men's association is arranging for a gigantic fall festival to begin Saturday, Oct. 27th, and continue until Saturday, November 3rd. There will be style shows, contests, prizes, masquerades and a long list of novelty entertainments. Band concerts and parades every night, and the secretary is hustling about and making all the arrangements.

Church of the Redeemer to Be Dedicated Sunday

One of the handsomest church edifices in the city and a great ornament to Englewood will be dedicated Sunday, October 7th, when the new building of the Redeemer Evangelical Lutheran church on Harvard ave. between 64th and 65th sts. will be consecrated to divine worship.

This beautiful new church is built of Indiana limestone, massive and perfect in architectural lines, two large square turrets flank the gable and rise to a height of 110 feet. The nave is seventy-one feet from the floor aisle to the peak of the roof, and will have a seating capacity of 1,400. A two story Sunday school building at the north transcept will accommodate 1,000 children. And the building is also equipped with a kitchen and dining room for social purposes.

A splendid organ has also been installed, the gift of the Ladies' Aid society of the congregation. It is a masterpiece and equipped with all of the most improved attachments of echoes, chimes and harp, and is one of the best in the city.

Three special dedicatory services will be held, the first to begin at 10:30 o'clock when Prof. Martin S. Sommer of Concordia Seminary, St. Louis, Mo., will occupy the pulpit. The vested choir of the church will render two anthems and Miss Emma Burmeister will be soloist.

At 3 in the afternoon, the Rev. O. C. Kreinheder of Detroit, Mich., president of the English District of Missouri Synod, will be the speaker and the male chorus of St. Stephens' church will sing.

The third service of the day takes place at 7:45 p. m. at which Prof. W. H. T. Dau of Concordia Seminary, St. Louis. Mo., will deliver the sermon and a double quartet from the north side furnish the music.

This article would not be complete without mention of the worthy pastor of the church, Rev. George Schuessler, who entered English mission work in 1901 and organized the Church of Our Redeemer, the first English speaking Evangelical Lutheran church in the Missouri Synod. They first worshipped in a hall on 63rd st. and soon after began the erection of a very pretty church at 60th pl. and Princeton ave., which was enlarged several times to accommodate the rapidly increasing congregation. This they sold to the Seventh Day Adventists some two years ago, and the present grand building was begun and carried to successful completion. Rev. Schuessler is an indefatigable worker, has faith in his faith, and in his people, and it is largely, we would almost say principally, to his generous labors, that this grand result has been attained. The ceremonies Sunday will be worthy of the occasion and a general invitation is extended to all Christians to attend.

Their 55th Wedding Anniversary

On Wednesday next, October 10th, Mr. and Mrs. S. D. Fuller will celebrate their 55th wedding anniversary, for fifty years of which time they have lived in Englewood, and are among our most respected pioneer citizens. Both are hale and hearty and willing to subscribe to the sentiment that Englewood is a good place to live happy and long.

Englewood Kiwanis Club

The luncheon Tuesday was a very interesting one, due probably to the fact that the good ladies of Pilgrim church served Irish turkey, in the most palatable form of corn beef and cabbage, and the way some of the Kiwanians went at it had the famous Jiggs, beat a mile.

In the absence of President Fred Rathje, Dr. Hillier, the vice president, presided in his usual graceful style. A report of the late convention was made by Ray Crist and Ray Ballantine. Rev. Cox and Mr. Bly of Drexel ave. Presbyterian church in remarks invited the club to attend a community meeting at that church Sunday night when Kiwanian George C. Kimball will address the meeting. An invitation to attend the Old Settler's reunion Oct. 25th was received and then Maurice R. Eddy, executive secretary of the Red Cross, delivered a very interesting address on the numerous good works of that excellent association. With a lady volunteer pianist, Ray Ballantine, led in a couple of good songs. The attendance prize donated by Dr. Hillier was won by Will Hayden, who tried to sneak off with the smokers until intercepted, when his liberality was extended to his own table, and after a struggle he escaped with his life and a few of the cigars. Ray Blount, the new secretary, favored the members with a series of photographs of himself on the notification letters, which will be preserved in the archives of the club. With the singing of "America" and a salute to the flag, the meeting adjourned.
